PIEDMONT REGIONAL DENTAL CLINIC CELEBRATES ITS 1-YEAR ANNIVERSARY JULY 1ST 2012

June 28, 2012, Orange, VA. Piedmont Regional Dental Clinic (PRDC) the largest safety net clinic in the four county area, celebrates its first year of service to the community.

PRDC is a non-profit organization dedicated to providing low-cost dental services to underserved residents in the Piedmont region of Virginia who do not have dental insurance and financially qualify, or who are covered by Virginia Medicaid.

When the clinic opened its doors on July 1, 2011, it only served 4 counties: Greene, Madison, Culpeper, & Orange. Due to patient demand, by early 2012 the clinic had expanded its service area to include surrounding counties and doubled its operatories from 4 working chairs to 9.

PRDC has helped more than 1749 patients and completed more than 4817 visits in its first year. All patients come from families living at 200% of the federal poverty level (FPL) or below. In fact, 75% of PRDC patients have a family income at or below 100% FPL (\$23,000 per year for a family of four)
